Przyjrzyj się uważnie i... zainspiruj!

Drobny czy mocny wzór, czerń czy biel, czerwień czy granat, minimalizm czy maksymalizm? Nie ma jednej właściwej odpowiedzi! W kolekcji **come closer** na jesień i zimę 2023/24 liczą się detale. Daj dodatkom wyjść na pierwszy plan. To, co dotąd uzupełniało styl, teraz go wyznacza. Nabierz śmiałości! Podejdź bliżej!

Take a close look and... get inspired!

Fine or strong pattern, black or white, red or navy blue, minimalism or maximalism? There is no one right answer! In the **come closer** collection for autumn and winter 2023/24, it's the details that count. Let the accessories come to the fore. What has so far complemented the style, now determines it. Get bolder! Come closer!
